Medial elective in Nepal

We are an Internship Organization that arranges medical elective placements in Hospitals for foreign students in Nepal. We have our own house for providing accommodation and meals for the students in an affordable cost. The best season for the elective is just ahead. Applications are open for the upcoming season.

Elective programs are available in the following departments:

1. Internal Medicine
2. General Surgery
3. Orthopedics
5. Ophthalmology
6. ENT
7. Dermatology
8. Psychiatry & Mental Health
9. Clinical Pharmacology
10. Dental Surgery
11. Anesthesiology
12. Radiology
13. Forensic Medicine
14. Pathology
15. Biochemistry
16. Microbiology
17. Emergency Medicine
18. Pediatrics
19. Cardiology
20. Cardio-Thoracic Vascular Surgery
21. Pharmacy
22. Community Medicine
23. Neurology
24. Neurology
25. Gastroenterology
26. Physiology
27. Anatomy

This is our home. With a lovely clean and green environment, it is away from the city havoc, noise and pollution.

Accommodation: Our home is at the central part of the Kathmandu city so that students can walk to hospitals and shopping centers of city. Our location is in safe, clean and green environment compare to other part of the city.

Our home stay; where you'll feel like home, far away from home
